By Melissa Bank : The Wonder Spot jun 18 2017nbsp;wonder woman fell to second place in its third weekend in theaters but its still doing the heavy lifting for the otherwise lackluster summer box office let your wonder take flight for decades the wonder balloon has soared the nations skies brining a sense of well wonder to all who see it The

Wonder Spot:

3 of 3 review helpful disappointed By katie78 Bank's first book is often cited as kick starting the 'Chick Lit' trend with an emphasis on 'Lit'. Her debut in 1999 was refreshing, touching, witty, and wise. The long-awaited follow-up may come as a disappointment to many fans. Like Girl's Guide, The Wonder Spot challenges definition. It is not exactly a novel but not simply a collection. Melissa Bank's runaway bestseller, The Girls' Guide to Hunting and Fishing, charmed readers and critics alike with its wickedly insightful, tender look at a young woman's forays into love, work, and friendship. Now with The Wonder Spot, Bank is back with her signature combination of devilishly self-deprecating humor, seriousness, and wisdom. Nothing comes easily to Sophie Applebaum, the black sheep of her family, trying to blend in with the 'he-com'. Six years after her amazingly successful debut, The Girls' Guide to Hunting and Fishing, Melissa Bank rewards her fans for their patience with The Wonder Spot, a refreshingly honest interpretation of one young woman's journey into adulthood.
