**By NS Dolkart : Silent Hall (Godserfs)** Silent Hall (Godserfs):

3 of 3 review helpful A great book for lovers of fantasy BEFORE it was subverted by that grimdark stuff By Joanna

Tova Price This is cross posted from my blog Silent Hall is a classic fantasy novel written by a dear friend from my college days The novel is written for a new generation of readers while hearkening back to some familiar themes As I began this book I immediately recognized the internal sensation Five bedraggled refugees and a sinister wizard awaken a dragon and defy the gods After their homeland is struck with a deadly plague five refugees cross the continent searching for answers Instead they find Psander a wizard whose fortress is invisible to the gods and who is willing to sacrifice anything and anyone to keep the knowledge of the wizards safe With Psander as their patron the refugees cross the mountains brave the ldquo Silent Hall nbsp is very nearly a perfect novel I wish my first book had been anywhere near as inventive and challenging to the norm rdquo ndash nbsp James A Moore author of the Seven Forges series ldquo This was crazy good
