chai A Shtetl and Other Yiddish Novellas:

The five short novellas which comprise this anthology were written between 1890 and World War I. All share a common setting: the Eastern European Jewish town or shtetl, and all deal in different ways with a single topic: the Jewish confrontation with modernity. The authors of these novellas are among the greatest masters of Yiddish prose. In their work today's reader will discover a literary tradition of considerable scope, energy, and variety, and will come face to face with Language Notes Text English Yiddish translation. About the Author: Ruth R. Wisse obtained her Ph.D. from McGill University, Montreal, and is currently professor of Yiddish Studies at McGill. She has translated and edited n
