By Ani Tuzman : The Tremble of Love: A Novel of the Baal Shem Tov The Tremble of Love: A Novel of the Baal Shem Tov:

6 of 6 review helpful The role of women in this historical novel of spiritual leadership is truly unique and powerful By Customer I am an avid reader of historical fiction and consider myself somewhat spiritual but have very little knowledge of Jewish history or the Jewish religion The Tremble of Love is a treasure for anyone who loves fiction and its broad appeal to readers from all spiritual and religious backgrounds m A story inspired by the legendary spiritual master Rabbi Yisroel ben Eliezar known as the Baal Shem Tov the Good Master of the Name who beckoned forth love from the hearts of rag pickers ruby merchants midwives and murderers nbsp Poor orphan Simpleton Harder to tame than the wind He hears what they call him But he listens to the presence his father promised would never leave him Yisroel finds Ani Tuzman s lovely heartfelt prose draws us into a tale filled with mystery and power evoking a lost world and introducing us to one of the truly great mystics of the Western world A beautiful book mdash
