4 of 4 review helpful A lush story of Jersusalem By Jenny Brown This book completely swept me away The story is lush as it covers three generations of women in Jerusalem beginning in the early 1900s and working its way to the 1970s I confess the ending felt a little rushed and I wasn't completely satisfied for it but the rest of the book is so exquisite I still give it five stars and highly recommend it This is what Finalist for the Book Club category of the 2016 National Jewish Book Awards The 1 International Best Seller The Beauty Queen of Jerusalem is a dazzling novel of mothers and daughters stories told and untold and the ties that bind four generations of women Gabriela's mother Luna is the most beautiful woman in all of Jerusalem though her famed beauty and charm seem to be reserved for everyone but her daughter Ever Highly recommended for those who are fascinated by the history of Jerusalem and the Jews that lived and stayed there as well as for those looking to learn more about the Spaniol community Booklist starred review Fans of Gabriel
