Catherine Lievens is a brilliant serial writer and this collection is a wonderful part of my collection from her Highly recommended for the MM shifter romance reader Finn Finn s mate doesn t want him because he s still heartbroken over Keenan but when Bryce finds out that Finn is being hurt he realizes he has to stop pushing the Nix away While they find their way to each other Finn uncovers a secret that might tear him apart Will Bryce be able to win Finn s trust and keep him safe Jeremy Jeremy s life revolves around his son until he meets Denver and finds out about shifters Denver think About the Author Catherine Lievens has always loved books She s not sure how she managed to marry a man who doesn t read but she deals with it and buys enough books for both of them Just ask him he frequently wonders if the books on her shelves mate with each
