9 of 9 review helpful Agnon is a genius By M Kairey I am in the middle of this book but I wanted to pause and review
it now I am not a lover of short stories but this book is an exception Here using snapshots Agnon portrays times and
places that are long gone This is something that any Agnon fan knows But is what is truly extraordinary is the manner
in which Agnon portrays spirituality Today in the USA we live This broad selection of Agnon s fiction introduces the
full sweep of the writer s panoramic vision as chronicler of the lost world of Eastern European Jewry and the emerging
society of modern Israel Expanded Edition Including all stories from Twenty One Stories About the Author Born in
Buczaz Poland S Y Agnon 1888 1970 was a Hebrew writer and Nobel Laureate in Literature He is the author of Shira
