**By Zeruya Shalev : Thera** find theraband exercises and research on all performance health products such as biofreeze and cramer sports medicine thank you for choosing the academy as your thera play pediatrics is the vision of two friends and therapists erin oliver a speech pathologist and emily roberts an occupational therapist Thera:

4 of 4 review helpful Just awesome writing and translation and a huge unexpected hit for me By Liviu C Suciu

INTRODUCTION Thera is a book that I picked up from the B N bookshelves because of the title and cover without knowing anything about the author or subject only to discover a blurb that was not quite what generally interests me But I opened it at random and the moment I read the first sentence I was just hooked Ella Miller is a 36 year old archaeologist studying one of the largest volcanic blasts in history the famous Thera eruption She develops a novel theory that the devastating blast sparked the biblical ten plagues which led to the liberation of the Israelites from Egypt Like her research subject Ella's life is undergoing tectonic shifts Her marriage to her former mentor the needy and brutish Amnon has come to an end Her relationships with her intellectually towering From Publishers Weekly Acclaimed Israeli author Shalev Husband and Wife comes close to exhausting archeology as metaphor in this bleak excavation of a family's breakup Set in Jerusalem the novel opens just after archeologist Ella Miller asks her husband her
