0 of 0 review helpful Another Winner By Kelli Haley Gilmore This is the 3rd of Erik Hofstatter s works that I ve read it s definitely another winner A bit of explicit sexual content yes but only in regards to the descriptions actions of the characters never doubt that there is in fact a story line an excellent one at that Katerina is a story that will take you on a dark journey with an unexpected end as vi The most unusual love story is about to unfold Kamil a thirty something weapons trader lives in the notorious Red Light District in Prague Despite his hatred for prostitutes he accepts an offer from Ginny a local sex worker As their strange friendship unfolds and Kamil witnesses several bizarre scenarios he begins to suspect that Ginny might not be an ordinary prostitute Idquo Hofstatter continues to impress with stories that pull no punch
