12 of 12 review helpful Everything I Ever Wanted to Know About My Jewish Family By Jo Ann Schneider Farris A Jewish friend of mine recommended Seed of Avraham The 4000 Year History of the Jewish Family by Othniel Seiden to a Jewish Women s Social online discussion group I knew I would find it interesting since I love historical fiction This book should perhaps be called Everything You Ever Wanted to Know The miracle of the Jewish family s survival was predicted guaranteed The written history of the House of Avraham has been born out by the pick and shovel of 20th century archeology To doubt its validity in the face of all the evidence is foolishness But maybe I m mistaken for perhaps the family of fools is even older than the House of Avraham Like every family the House of Avraham is a mixed lot There have always been a few who saw l Seed of Avraham is a stunning novel that treks you with the plight flight and perseverance of the Jewish people throughout the 4000 years of their existence There is no parallel This book just must be experienced Well done EJ Thornton author
