1 of 1 review helpful What s the difference between erotic and tawdry pornography By Matthew T Carpenter This is a brief not particularly well written pornographic story The author throws in a few chanted ia ias and mentions Shub Niggurath so it shows up when you search for Cthulhu mythos books The author turns Sub Niggurath into a goat man instead of the usual female but who cares If you want a book that is 90 pueri Ancient evil seeps from the stars as Shub Niggurath unleashes its minions on an unsuspecting region A local author faces madness when his talent is exploited for otherworldly purposes
