1 of 1 review helpful My favorite Christmas gift By GP Bey transports us back to Madierus to celebrate Corestmas Christmas along with the boys and captain Poor Jon is on a funk since the awful savage rape but we have Tom and Baltsaros to help him heal I love this trio and this short and sweet story was just what I asked for Christmas I like to reconnect with them and remember how great they are together I guess I A Baal s Heart short following the events in Fated Blood and Redemption Plagued by terrible dreams Jon begins to distance himself from Baltsaros and Tom Perhaps a little holiday cheer is just the thing to help the three of them find common ground again About the Author Artist Writer Dog Lover [http www beydeckard com](http://www.beydeckard.com) Canadian indie author Bey Deckard wanted to be many things when he grew up veterinarian vampire paleontologist crane operator sniper ophthalmologist brain surgeon marine biologist
