3 of 4 review helpful What I like most about these books is that the author By J D This is a wild over the top series Some of the parts are extremely gross The author has a very sick perverted mind What I like most about these books is that the author Kim Hardwick is not PC It is easier to find a unicorn or a leprechaun than an author who is not groveling to their publisher with the required political correctness fa Tara had just about given up any hope for survival when she met Brad The handsome wealthy stranger was nice and flirted with poor Tara Perhaps things were looking up for poor Tara Foolish girl Tara still hasn't gotten the message No Hope No Escape For Tara things are going to get A LOT worse before they get better From the depths of the deep racist South and into the bosom of old world Brooklyn Tara just can't catch a break Will poor Tara and her kitty K About the Author Someone once said of me that I was a dirty little girl who writes dark unpleasant stories about women who need constant non stop discipline from unforgiving men She's so dirty The rougher the better that's my views on relationships
