Child (Volume 1):

2 of 2 review helpful Very interesting story I could hardly put it down till I had read it all By C J Walker I loved this well told story on many levels Khubiar drew me into the lives of the characters very quickly taking me on an emotional roller coaster as the story unfolded The drama and action of the espionage has some extraordinarily intense moments and some sweet moments to balance the steep inclines and fal In the first book of the Eagle and Child trilogy Shahla functions as two women the American who works as a Research Specialist at a Federal prison and the Israeli asset whose clandestine work is concealed by her American job She tries to disengage from two governments that are ripping holes in her soul but the unfinished business of her hidden life comes between her and the man she rsquo d hoped could heal the wounds of her past A mixed marriage is only the beginni
