0 of 0 review helpful A spectacular erotic romance that had me on the edge of my seat By Marie Brown Once I got done with the first book I jumped immediately into the second one dying to know how things went with Brie Sebastian and Jonah I was on the edge of my seat the whole time with the different twists and turns The sexual energy between these three incredible characters had me squirming in my own chair A MUST REA Menage Amour Erotic Paranormal Menage a Trois Romance M F M werewolves bondage public exhibition Newly engaged Brie Ferguson and Jonah McCarthy submerge themselves in primal temptations but the constant reminder of Sebastian McCarthy s absence is enough to ruin even the best orgasm Distracted by the mating heat Brie feels a deep longing to be with both her mates especially her Alpha Discovering that Sebastian s been infected with the same debilitating virus
