0 of 0 review helpful This series gets better and better By Marie Brown It s not hard to believe this series can get even better when we have a talented author like Morgan Fox writing with such eroticism danger sexy tantalizing characters and superb storyline I think Reyes and Dominc are two of the most sexiest men and alphas I can imagine while their mate Megan is a fiery red headed woman with passion and complicate Menage Amour Erotic Paranormal Menage a Trois Romance M F M werewolves Feisty and gorgeous Megan Shaw is a leading lycan physician ordered by her alpha to uncover the mystery of a DNA virus plaguing her kind But when her alpha also orders Dominic Mercer and Reyes Rodale to protect and guard her from a nefarious vampire all hell breaks loose While Megan tries to stay focused on the medical quandary a competitive game is afoot between her two tempting and arrogant
