**By Bernard Cohen : A Marginal Man** the law of diminishing marginal utility describes a familiar and fundamental tendency of human behavior the law of diminishing marginal utility states that as a read this article to learn what this olympic coach did to get his team to make one percent improvements each day A Marginal Man:

3 of 3 review helpful A Cautionary Tale for Our Spiritually Rudderless Times By ACR There is nothing Marginal

about Bernard Cohen's new novel it hits the target dead center on many timely subjects It is intelligent engaging and deeply disturbing yet not without Cohen's trademark dark humor His depiction of a character's rabbinical school memories is an exquisite blend of the comic with the bittersweet This fine book Dan Kramer a college professor and a former rabbinical student adores his handsome athletic son Lance Sitting in the bleachers in the town park Kramer could watch Lance for hours Observing his son's self assurance and grace on the playing field Kramer recalls his own experience as a poorly coordinated boy blind without his thick glasses He saw himself standing with his elementary school classmates in the chilly schoolyard during gym watching the captains alw
