By Yamin Levy : Sababa in hebrew it mean shibby cool great no problem all right experience the flavors of the mediterranean and middle east at this dunwoody grill serving gyros kabobs falafel shawarma hummus salads soups burgers and more Sababa:

0 of 0 review helpful I definitely recommend this novel to anyone looking for a page turner By Rica I could not put this book down from the minute I started it Both stories in this novel the one taking place in modern Israel and the one in historic 3rd century Israel are fascinating with complex and compelling characters I definitely recommend this novel to anyone looking for a page turner that sheds light on the com Hamas militants have abducted Lior Samet the grandson of Israeli national war hero Brigadier General Avigdor Cohen but the Israeli government does not negotiate with terrorists Cohen rsquo s inner world is turned upside down as he does what he must to bring Lior home Less than forty miles away but more than two millennia earlier Alexander the Great descends upon Jerusalem ready to attack but after a highly charged confrontation with Simon the High Priest he spa
