**By Kevin Vennemann :** Close to Jedenew (The Contemporary Art of the Novella) Close to Jedenew (The Contemporary Art of the Novella):

1 of 2 review helpful Would Not Recommend By Nash Jones Unless you absolutely love complicated stream of consciousness writing this book is not for you On this evening on the last evening it is Antonina who says softly They

re coming It begins like a classic German fable Children from the rural village of Jedenew Poland get together late at night to play together in the dark woods But their game is to pretend they live in the imaginary world of the Jedenew that came before them when it wasn't occupied by the Nazis and their Jewish friends weren't mysteriously disappearing one by one From Publishers Weekly Setting this haunting stream of consciousness tale in a generic rural Polish village jeden in German means every Vennemann writes in the first person voice of an unnamed 16 year old Jewish girl who recounts the German army's ar
